(Odisha Millets Mission) Dated 21.06.2019**

1. The interested firms should provide the hard and soft copies of the schedules. The budget also includes the cost of the data entry work. The data entry format is to be developed by the firm in consultation with the Research Secretariat at NCDS.
2. Those firms who do not have the audited statement for the financial year 2018-19 may provide the same for the last three financial years, ie. 2017-18, 2016-17 and 2015-16. However, they have to give an undertaking that they will provide the audited statement for the financial year 2018-19 within six months, if the firm is selected.
3. The list of the beneficiary farmers in the concerned villages will be provided to the firm by the Research Secretariat. In cases, they can also collect it from the Programme Secretariat at respective districts. In case of non-availability of beneficiary households in a particular village, they will be replaced by the non-beneficiary households.
