

Success Story of Odisha Millets Mission R Uadayagiri block - Gajapati district

This factsheet presents the block-level findings and other information derived from the study "Area, Yield, Production and Value of Produce under the Special Programme for Promotion of Millets in Tribal Areas of Odisha (Odisha Millets Mission), 2017-18, Phase-1" and baseline (2016-17) reports prepared by Professor Srijit Mishra and team at NCDS.

OUTCOMES: CHANGES AFTER ONE YEAR OF OMM INTERVENTION

YIELD COMPARISON AMONG BLOCK, DISTRICT AND STATE

In R Uadayagiri, the yield of 10.62 quintal/hectare in 2017-18 for millets cultivated under OMM was 2.46 times higher than the yield of 4.31 quintal/hectare in 2016-17 for millets cultivated in baseline.

Under OMM in 2017-18, yield of millets in R Uadayagiri at 10.62 quintal/hectare is lower than Gajapati district's yield of 13.50 quintal/hectare and the state's average yield of 12.72 quintal/hectare.
